

## The MANY READERS, MANY BRIDGES Project

A once-in-a-lifetime opportunity to support literacy, the love of reading and books, along with the preservation of intergenerational family traditions, natural healing remedies and languages, for the diverse population of elementary students throughout the beautiful state of Arizona.

This information is for you, friends and community leaders who have demonstrated commitment to the community by supporting amazing projects. This is a tremendous, and dear to my heart, campaign to provide books to 4th graders and school libraries through a unique literacy project.

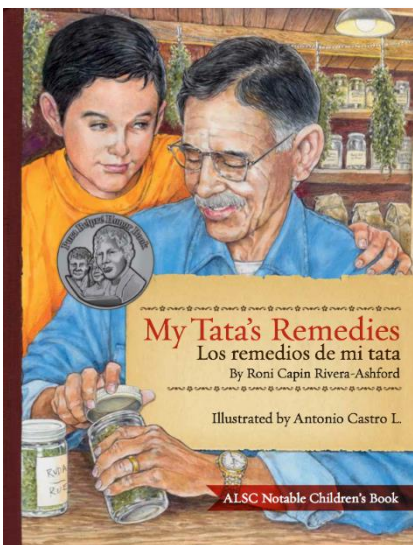

MANY READERS, MANY BRIDGES is an Arizona State Book Giveaway project that I am organizing. I hope you will help me continue the momentum by participating in our Founder Club program.

Thank you ~ ¡Gracias!

You may ask, "Why TATA'S REMEDIES/LOS REMEDIOS DE MI TATA book for this project?" I am happy to announce that it was chosen as the GREAT READ FOR ARIZONA representing our state at the Library of Congress' National Book Festival in Washington, D.C. last September.
